Zambaiti Parati

MADE IN ITALY

# SAVANA

Nella vasta distesa della savana, il paesaggio si veste con un'eleganza di colori armoniosi e vividi. E così, i colori si fondono in un affresco di pura poesia, dipingendo un'immagine di bellezza e mistero. In questo paradiso naturale, ogni dettaglio, ogni sfumatura, ogni tonalità racconta una storia affascinante e surreale. La savana è un capolavoro artistico della natura, una sinfonia di colori che cattura l'occhio e nutre l'anima.

*In the vast expanse of the savannah, the landscape dresses with an elegance of harmonious and vivid colours. And so, the colours come together in a fresco of pure poetry, painting an image of beauty and mystery. In this natural paradise, every detail, every nuance, every shade tells a fascinating and surreal story. The savannah is an artistic masterpiece of nature, a symphony of colours that catches the eye and nourishes the soul.*

## PANNELLI DIGITALI

Tutti i nostri pannelli digitali sono realizzati utilizzando come base un supporto di qualità da noi appositamente prodotto e certificato Bs2-d0, per questo motivo offre prestazioni eccezionali per il settore contract, residenziale, nei ristoranti e/o in quelle situazioni dove i materiali devono essere certificati e resistenti al fuoco.

I pannelli digitali da noi realizzati sono di due tipi: il primo, quello standard, ossia realizzati con grafiche e colori da noi proposti, nella misura 510X300 cm come da catalogo.

Il secondo, quello custom, ossia realizzati partendo dalle nostre grafiche ma prodotti in misure speciali secondo le richieste dei clienti.

## DIGITAL PANELS

*All our digital panels are made using for the bases a quality support specially produced by us, and certified Bs2-d0, for this reason, they offer exceptional performances for the contract, residential, restaurant sectors, and/or in those situations where the materials must be certified and fire resistant.*

*The digital panels we make are of two types: the first, standard one, made with graphics and colours proposed in the size 510X300 cm as per the catalogue.*

*The second, custom one, made starting from our graphics but produced in special sizes, according to customer requests.*
